Celebrates Black History Month with Dolls  
February 12, 2008

It was a great day at the Mary Lyon School home of the Bumble Bee Doll Club of the Black Gold Doll Club of New England. Officers of the Bumble Bee Doll Club set up the doll display of famous figures in Black History including Harriet Tubman, Colin Powell, Mohammed Ali, Madame C. J. Walker, Michael Jordan, the Tuskegee Airmen, Raven Simone, and Venus and Serena Williams. The

centerpiece for the display was Makeda, Queen of Sheba and representing the start of Black History in America with roots in Africa.

Jacqueline Scott, President of the Black Gold

Doll Club and members Jeri Robinson and Joyce Stamps attended as BB officers

presented the display with biographies of each doll with the assistance of Cheryl Brown-Greene Jr. Collectors leader.

After the formal presentation by the Bumble Bees, Jacqueline, Jeri and Joyce shared doll stories with the Bumble Bees. The Bumble Bees were eager to share what they knew about dolls and why they loved collecting

dolls. The program ended with Black Gold Doll Club Members presenting each Bumble Bee Doll Club member with a doll representing Black History month.
