Once again I am real late at getting my newsletter to you. I know it sounds like I always have an excuse, but things really got out of hand for me. November and December are traditionally very busy for me and this year it was extremely so. So once again, please except my apologies.

In the newsletter from UFDC please pay special attention to the information on the 2008 Convention in Las Vegas. If you haven't already done so, be sure to send in the delegate information as soon as possible.

Another item to pay attention to is about some federal forms that will have to be filled out starting with the annual 2008 forms. There will be more about this from Kansas City in 2008, so be sure to watch for this information. Presidents, please be sure to pass this information on to your Treasurers.

Also, Presidents, status forms are due. Please send them to me as soon as possible.

And on the subject of passing information on; Presidents, please be sure to pass these newsletters on to ALL of your club members. We would like to see every member have a copy of these newsletters in the hands of every member. To mail a copy to everyone would be cost prohibitive, but one way to do this would be to send by e-mail. I am sending this by e-mail to all the presidents I have an address for. Presidents, if you would send me

the e-mail addresses for all the members who have one. Members-At-Large, this includes you also.

Welcome New Members at Large:

*Connie Crow
Bellevue, Ne.*

*Doris Skaglund
Canova, S. D.*

REGIONAL TREASURY BALANCE.: \$3,472.16

In my Doll Club we have had some discussion about holding a Junior Tea. At National Conventions I have been asked about doing a Regional Conference. These events take a lot of planning and people. Please get back to me with any thoughts or ideas on this. Also, names of anyone willing to help, plan or Chair such an event.

I promise to do better with my letter next time.

Have a very Merry Christmas and A Happy New Year
