

Bleuette, Dolly & Me by the Sea

by
Victoria Christopherson

Bathing suit patterns for Bleurette were included in "La Semaine de Suzette," a magazine for French children published from 1905 to 1960. Some shown here are from 1906, 1909, 1921, 1930 and 1933.

Some completed garments, like the 1923 and 1946 bathing suits, were offered for sale by the magazine.
