WELCOME TO UFDC'S 75th ANNUAL CONVENTION

There's No Place Like Home

Welcome Home! We are so happy to welcome you to Kansas City, the largest city in the state of Missouri, and home to the United Federation of Doll Clubs, Inc. Museum and Central Office. Celebrated cultural traditions include Kansas City jazz; theater, as a center of the Vaudevillian Orpheum circuit in the 1920s; the Chiefs and Royals sports franchises; and famous cuisine based on Kansas City-style barbecue, strip steak, and craft breweries. Nicknamed the City of Fountains, you'll find more than 200 along with many other attractions to add to the enjoyment of your stay in this wonderful city. We have included tours of five museums in the Convention schedule for your enjoyment.

Our host hotel, the Kansas City Downtown Marriott, is just 30 minutes from Kansas City's International Airport, MCI. As you will see from this booklet, all UFDC events will take place in two towers connected by a skybridge. The more modern tower, the Marriott, will house all learning activities which include workshops, seminars, programs, the Competitive Exhibit, Annual Business Meeting, and meal events. The historic Muehlebach Tower will host our world-class UFDC Sales Room, the UFDC Boutique, Special Exhibits, the Helper room, the Mini Office and UFDC on-site office. The hotel staff are very excited about our Convention and are looking forward to taking care of us.

Your UFDC Convention team has worked hard to prepare a fun week packed with a diverse array of wonderful events. You may find it difficult to choose! Our Annual Business Meeting is the primary reason for the Convention. At this year's meeting, club delegates will vote on matters pertaining to the functioning of UFDC. Club Presidents will receive all the relevant information beforehand to share with their members and their delegate(s). Attendees will also be able to attend Regional Gatherings and the Open Forum.

In keeping with UFDC's mission, there is a fantastic array of learning events - Workshops, Seminars, the Competitive Exhibit (including Highlight Tours), Special Exhibits, Programs, Gatherings, and some special treats for our Junior Collectors.

If this is your first Convention or you have not been to one in a while, make sure to attend the Convention Orientation program on Monday afternoon. Make a note of all your questions and bring them along!

There will be LOTS of shopping opportunities in the world-class UFDC Sales Room and the UFDC Boutique. And on Public Day, be sure to check out the books on the Publisher's Preview tables.

The Convention is also a big fundraiser for UFDC and there will be several occasions when attendees will be able to show their appreciation by making a financial

contribution. UFDC's Fundraising Committee will be hosting three events during the week – the Welcome Gathering/Ice Cream Social on Monday night where attendees can reunite with friends; exciting bingo games (with prizes!) on Wednesday evening; and a relaxing movie on Saturday afternoon. All of them will be great fun and a terrific way to support the organization!

Several special ticketed meal events are being offered, including lunches, afternoon teas, and dinners where you will be able to enjoy delicious food, great programs, and receive a variety of wonderful souvenirs as mementos.

We top the week off with the Gala Banquet. Our souvenir doll artist, Helen Kish, has created a wonderful souvenir doll for us. "Miss Unity" was inspired by adding a new version to our existing Miss Unity that we have all loved dearly throughout UFDC history. Helen's version is a nod to the past but with inspiration for her future. Helen has created two fashions for Miss Unity, one in a traditional outfit, and, as a companion piece, she has created a complete change to carry us into our future years.

You are guaranteed to take away many happy memories from Kansas City as well as a few mementos, including the Convention Souvenir Journal, edited by UFDC Past President (and UFDC Historian) Loretta Nardone. Just make sure you send your event request form in by the deadline – you don't want to miss out on the fun!

The aim of this Tentative Schedule is to provide you with an overview of Convention week, but it is subject to change. You will find the Final Schedule, which will include room assignments, in your packet when you arrive and register onsite at Convention.

Convention is only possible because members volunteer. So, if you have not done so already, think about what area you would like to participate in, and contact the relevant Chair to say you are willing to help. You will meet new people, make new friends, earn a charm, and have fun - what could be better than that?

Speaking of Chairs, I would like to take this opportunity to personally thank all of them for the key part they play in making this Convention a reality. We could not do this without their leadership.

Finally, we are in ongoing dialogue with the hotel about how we can ensure the safety of our members. For example, we are planning all meal events to seat eight people per table. Be assured that we will follow any health restrictions in place at the time – your safety is our top priority. Plans are also being developed for a daily Grab-n-Go for your convenience.

We look forward to seeing you in Kansas City!

EMPLOYMENT BOOTH & CONVENTION CHARMS

One of the best ways to make new friends and learn about UFDC is to volunteer. Go to the UFDC Mini Office to find the right job for you. A special charm or tie tack is designed each year as a token of our appreciation for Convention volunteers. Three hours of work qualifies for one of these mementos. There are a wide variety of jobs available. Many are sitting jobs - for example, monitoring exhibits. If you like to be more active, we'll have just the right job for you, too. Thanks in advance to our wonderful members who volunteer their time during a busy Convention week – we could not do it without you!

CONVENTION ACTIVITIES

UFDC EVENTS

ANNUAL BUSINESS MEETING

The Annual Business Meeting will be held on Friday morning and is the primary reason for the Convention. Annual reports will be presented by the Officers of the corporation and club delegates will vote on matters pertaining to the

functioning of UFDC. All UFDC members are encouraged to attend. No other activities are scheduled to conflict. You **MUST** bring your UFDC membership card to attend the meeting. Voting delegates must be checked in no later than 8:30 AM to have voting privileges. If you forget your card, replacements will be available in the UFDC Mini Office.

REGIONAL GATHERINGS

Regional Gatherings are on Thursday afternoon. Not only do they provide attendees with the opportunity to discuss what's going on in their region, but it is a great way to meet people, make new friends and get to see and hear from your Regional Director up close and personal!

OPEN FORUM

The Open Forum is scheduled just after the Regional Gatherings on Thursday afternoon. It is your opportunity to ask questions and share feedback and comments with UFDC members and leadership.

LEARNING EVENTS

WORKSHOPS

Chair Nancy Percival has once again gathered a talented array of Workshop presenters! With 19 Workshops offered in 3-hour time blocks, each class has been selected to challenge the student to learn new skills or to entertain them by creating something special. If you sew for your doll, you'll be delighted at the list of offerings. If you like to craft items to go with your dolls, then you'll be excited to see there are Workshops for your taste as well. The complexity of each Workshop is noted in the detailed descriptions. To help you decide which ones to request, finished Workshop project photos are available for viewing on the UFDC website under the Convention tab. Workshops are ticketed events at an additional cost beyond Convention registration.

SEMINARS

ReAL Services offers attendees the opportunity to attend educational seminars. Organized by Chair Kate Reed, the 27 Seminars are ticketed events for small classes of in-depth study. Space is limited and there is a small fee. Seats not occupied 10 minutes after the published start time will be forfeited and sold to attendees waiting in line outside the Seminar rooms. No refunds are given to attendees who do not check in on time. Use the request form included in your Convention packet to sign up. Seminars typically last about 3 hours.

COMPETITIVE EXHIBIT

One of the most rewarding and educational experiences of the Convention is participating in the Competitive Exhibit. Co-Chairs Sue Popp and Diane Vourderis have assembled 120 diverse categories which are listed in the Competitive Exhibit side of this booklet. In sharing their dolls, UFDC members

provide one another with the greatest opportunity for doll study in the world! Please note that the deadline for entries is June 23, 2024.

COMPETITIVE EXHIBIT HIGHLIGHT TOURS

Organized by Chair Florie Hirsch, this is your opportunity to hear the judges explain the judging process. The tours are free, but the number of spaces is limited so you need to sign up for tickets in advance. Sign up is on Wednesday morning and the tours take place on Thursday morning.

SPECIAL EXHIBITS

Each year, Convention attendees look forward to enjoying a variety of Special Exhibits presented by our members and clubs. Exhibits are open to all attendees at no additional fee. Special Exhibits Chair Kathleen Allen looks forward to welcoming you to the five Special Exhibits in Kansas City.

PROGRAMS

Carol Cameron, Director of ReAL Services, has arranged 21 Programs, led by subject matter experts, on various doll topics. There is no additional fee for Programs and seating is available on a first come basis. Programs typically last about an hour.

GATHERINGS

Want to meet other collectors that share your interests in a specific type of doll? Chair Carol Cameron has organized fourteen Gatherings on Thursday and Friday evenings. UFDC provides space for these special interest and collector groups to gather. Everyone is welcome and no fee is charged. Available on a first come basis as space allows.

JUNIOR COLLECTORS

Junior Collectors will enjoy a great week courtesy of Junior Co-Coordinators Erica Cruz and Kim McIntyre-Bott. Juniors will also be very welcome at many of the other events during the week. A fun time is guaranteed!

SHOPPING OPPORTUNITIES

UFDC SALES ROOM

Each year, dealers from near and far travel to the UFDC Convention to display their vast array of wonderful dolls and accessories in our world-class Sales Room. This year, Co-Chairs Gail Lemmon and Fritzi Martinez have an exceptional line-up of dealers to delight attendees all week long. Whether your passion is for antique, vintage, or modern, there's sure to be something for everyone in the UFDC Sales Room located in the gorgeous Evergreen Ballroom.

UFDC BOUTIQUE

We will once again be locating the UFDC Boutique in a separate room. So come along to the Colonial Ballroom in the Muehlebach Tower, where you

will find great merchandise - dolls and accessories, convention souvenirs and amazing “Tender Loving Care” type bargains. Everything you buy from the UFDC Boutique supports our organization.

PUBLIC DAY/PUBLISHER’S PREVIEW

Public Day will be held following the Annual Business Meeting on Friday. This will enable members of the public, plus UFDC members who did not register for the Convention, to access the Sales Room. To add to the enjoyment, Publisher’s Preview tables will be found just outside the Sales Room.

FUNDRAISING

Welcome Gathering/Ice Cream Social - There will be the usual Welcome Gathering/Ice Cream Social on Monday evening. As well as being a great opportunity to meet up with everyone, there will be a fundraising aspect to this, with donations being accepted for various Wizard of Oz memorabilia. So, bring cash, your check book and/or your plastic – we accept all forms of payment! We will also be launching the new Regular Giving program. So, plan to be there so you can hear all about it!

Adopt-A-Doll during the UFDC Museum Tours - Have you been thinking of adopting a doll in the UFDC museum but never got around to doing it? Well, now is your chance. During the tours to the UFDC Museum, if you see a doll that you would like to adopt, there will be people on hand to organize that for you!

Bingo Night – On Wednesday we are going to have a bingo evening. Whether you are a bingo expert or a novice, come along – it will be great fun, with wonderful doll prizes. This is a ticketed event, so make sure you enroll via the event request form. If it does not fill up, we will have tickets for sale at the door, but we think it will be very popular, so we suggest you book your place in advance! A big thank you to both the Sunshine Doll Club and the Gold Coast Doll Study Club from Region 9 for their very generous sponsorship of this event in memory of Margaret Vitale.

Wizard of Oz Film – Saturday afternoon, we will be showing a movie – yes, you guessed it – *The Wizard of Oz*. Although free of charge, we will be asking for donations to cover the cost of the license. It’s a great way to sit back and relax after what will have been a VERY busy week, so make sure to mark it on your schedule.

HELPERS/SILENT AUCTIONS

UFDC members and clubs donate hundreds of items which help defray the costs of the Convention. The Helpers/Silent Auctions include all kinds of dolls, accessories, and doll-related items. Purchase tickets to drop into buckets for a chance to win or place a bid on your favorite items on the Silent Auctions table. Chairs Lorie Roller and Glenda Warren will be supervising the fun, along with the drawing to determine Helper winners on Saturday morning.

SPECIAL EVENTS

TICKETED MEAL EVENTS

Meal events feature a wonderful program, a delicious luncheon, afternoon tea, or dinner, and either an exclusive limited-edition doll created by one of UFDC's many talented artists or another limited-edition souvenir. Companion items are often available at an additional cost. In addition, new for this year is a special Wine and Hors D'oeuvres event, with a souvenir book. Space at these events is limited and only ticket holders will be admitted. See full descriptions in this booklet. The ticket price for these events is based on the combined cost of the event souvenir and the meal, and other costs such as the AV. Meal events are a key part of UFDC being able to meet our contractual food and beverage commitment to the hotel. A BIG thanks to the various clubs and groups who are hosting these events and too, the Meal Event Coordinator, Alisha Cole, who has worked with them to create what will no doubt be lots of memorable moments.

TOURS

There is sooooo much to see and do in and around Kansas City! We have organized five tours for you. You can find a list of them in this booklet, along with dates and times. Details of the tours, including prices, are on a separate sheet in your packet. And look in your tote bag for information on other places to go/things to do – we want you to make the most of your time here!

GALA BANQUET

Saturday's banquet is the grand finale of the Convention. Enjoy a delicious meal with doll friends, a fun video created by Kathy Monier capturing the highlights from our week at Convention, and this year we have special guests inviting attendees to the 2025 Convention. A highlight is the unveiling of this year's fantastic souvenir doll by Helen Kish – what a great way to end the week.

CONVENTION RULES

You may not lend your convention badge or ribbons to any other person for any reason. Allowing another person to use your badge or ribbons will result in the loss of your Convention privileges for the remainder of the Convention. If you lose your badge, ticket, or ribbon go to the UFDC Office for replacement.

You may not give or sell your tickets to another person. This is to protect your souvenirs. At the Gala Banquet, each table host will have a list of those assigned to their table. No others will be seated and tickets with written alterations will not be honored.

Images of people or items exhibited at any UFDC function, if used commercially, must include the following caption: "Photographed at the United Federation of Doll Clubs Inc. Annual Convention." HOW TO REGISTER FOR AN EVENT, WORKSHOP, OR SEMINAR

1. After determining your choices for ticketed events, seminars, and workshops, note your selections as 1st, 2nd, or 3rd and so forth for each day on the Request Form next to the appropriate date and time. It is important to number your preferences for each day and time slot in order for UFDC to best accommodate your choices. All ticketed events have limited seating. Requesting the event does not guarantee seating into the event. You will receive confirmation. Make sure you complete the Event Request Form in its entirety.

2. If you are a Gala Banquet Table host/hostess, fill in the Banquet Seating Request form to include all attendees who wish to sit at your table. **Please plan for a maximum of eight people at your table.** If you wish to sit with a friend, you may also send a Banquet Seating Request Form. Please coordinate with your tablemates to avoid duplicate form submissions.

3. **If you are mailing everything back to UFDC**, you can use one of the following payment options:
 - Write one check per registrant, combining all your selected ticketed events, workshops, and seminars. Make your check payable to UFDC Convention 2024.

OR

 - Use a credit card (Visa, MasterCard, Discover, or American Express only) by filling in the credit card number and expiration date on the request form.

Mail all your completed forms and payment in one envelope to UFDC 2024 Convention, 10900 N. Pomona Avenue, Kansas City, MO 64153.

If you wish to receive confirmation that your forms/payment have arrived, then please include a self-addressed, stamped postcard to confirm receipt of your requests. Note that this will only confirm receipt of payment and requests, not acceptance into events.

If you would like to submit your forms by email, then please scan your completed forms and email them as a PDF attachment to Sheryl at ufdcsherry@ufdc.org. Note that if you choose this option, you can only pay by credit card.

4. Mailed forms must be postmarked no later than May 20th. Emailed forms must be returned at the latest May 23rd.

We suggest you make copies of all your completed forms. That will help in case there are any questions.

Rhoda Seidenberg

This seminar will explore the man behind the theatrical and historical dolls allegedly made by the Saroff brothers. Not only was the Saroff Company a one-man operation, but Mr. Saroff also wasn't a Russian artist. The dolls were made by Pernell Peek, a former Doughboy, stage actor, and marionette performer. Using his flair for theatre and history, Mr. Peek created figures that capture our imagination.

SPECIAL EXHIBITS

Japanese Friendship Dolls ***Alan Scott Pate***

The Japanese Friendship Dolls of 1927 are arguably the most important group of dolls ever created. Designed as a diplomatic overture to help heal the growing rift between the US and Japan, these 58 large-scale ichimatsu dolls represented the height of Japanese doll artistry at that time. Their exchange, along with 12,739 “blue-eyed dolls” sent by the children of the US to the children of Japan, was an unprecedented gesture of friendship and goodwill and their ameliorating impact was felt immediately on both sides of the Pacific. This special exhibition, bringing together five of the Japanese Friendship Dolls, represents the largest gathering of these dolls in the US since the summer of 1928!! It is indeed a rare opportunity to meet some of these doll ambassadors face to face, to experience their beauty, and to learn something about their respective histories.

1949! ***Joel Hoy***

What was happening in 1949? Seven-inch 45 rpm records were introduced, Junior Mints made their debut, Harry Truman was sworn in as President of the United States, and the United Federation of Doll Clubs, Inc. was issued a Certificate of Incorporation. If a shopper in 1949 went into a toy store, department store, or ordered from a catalog, what beautiful dolls would they find? To celebrate the 75th Anniversary of UFDC, the Heirloom Doll Collector’s Club has put together a delightful and informative exhibit of dolls made around that time.

Funko Pops ***Angel Eschler***

Funko Pops first debuted at the 2010 San Diego Comic-Con with three different characters; Batman, Batgirl, Green Lantern, and one variant: Metallic Batman. Since then, Funko has acquired over 1,100 licenses that are broken down into 10 categories: ad icons, animation and cartoons, anime and manga, comics and superheroes, movies and TV, music, retro toys, Sci-Fi, sports, and video games. If you look closely, you might even see a few Funkos of your UFDC Board members in this Special Exhibit!

The production featured music and lyrics by Smalls and a book by William F. Brown. The show was revived in 1984 starring Stephanie Mills as Dorothy once more. In 2015 *The Wiz Live* joined NBC's series of live musical events this time featuring 18-year-old newcomer Shanice Williams as Dorothy. This doll exhibit is designed to bring to light the beautiful artistry of the costumes and scenery of the original stage performance in all its glory...in "Doll" style.
