Dear Friends,

Today's world was unimaginable only a few weeks ago....

The inability to have physical doll club meetings greatly saddens me. The comradery, sharing, learning and fun are missed. However, there are still ways we can have doll meetings. Please consider meeting online or via telephone conferencing. Some online meeting spaces such as Zoom or Microsoft Teams are a great way to visit with each other. Programs may be presented, and club members may have "show and tell" sessions. Conversations may take place with interactions from your club members. It is a lot of fun! To use one of the internet meeting sites, you will need a smart phone or a laptop/computer with camera and microphones available. If most of your members do not have these devices, you can use the UFDC teleconferencing facility. Please contact Carol Cameron at carol@ufdc.org to get more information. One other method of "meeting" is creating a club Facebook page. You can also visit our Region 8 Facebook page too!

Unfortunately, this year's convention had to be cancelled for the safety and wellbeing of our members. Refunds are being made by both UFDC and the convention hotel in Dallas. BUT.... the good news is we are having a wonderful online event in its place! See details on page two of this newsletter.

Please send me your own doll projects, recent doll acquisitions, or club "virtual" photos so that I may place them in future newsletters and on our Facebook page.

Finally, please be safe and well. If you are high risk, please remain safely in place and social distance from others. Each day is that one day closer to the world being healthy and "normal" again.

OnTime OnLine Doll Celebration!

July 22 - 24, 2020

Location: Wherever you are!

With presentations from all over the world and live updates from UFDC Headquarters & Museum!

Mark your calendars for UFDC's first online doll event, the ***OnTime OnLine Doll Celebration!*** to be held July 22-24, 2020. Since we can't get together in Dallas, we've decided to bring the fun, informative and educational elements to you at home. You will be able to shop in our world-class Sales Room, too! More details will be announced soon.

UFDC is launching the "+1 Challenge", a new recruitment campaign. Amongst other things, it challenges each member to recruit at least one new member. So, invite someone along to the online event. You never know, it might result in your first +1! For more details, see the +1 Challenge article in the upcoming summer DOLL NEWS.
