ATTENTION CLUB PRESIDENTS

UFDC has given each Regional Director a **Zoom account** for their region. At this time, when holding in-person meetings are challenging, consider meeting via Zoom. Those attending who have a camera and microphone on their computer or tablet can be seen and heard and members can also participate just by audio using their phone. It is fun to see friends in their homes. You frequently get to meet their pets, too. If you are interested, please call or email me.

Credentials forms for registering 2021 Annual Business Meeting delegates/alternates are due back postmarked no later than **January 20, 2021**.
