

UNITED FEDERATION OF DOLL CLUBS, INC.

DONOR RECOGNITION TREE

All individual, club, and corporate donors who designate their contribution for the Donor Tree at \$100 or higher level, will have their name and message permanently engraved on a leaf of this remarkable donor recognition tree. A donation of \$1,000 or higher will secure a copper leaf on the donor recognition tree.

A truly unique work of art, the tree projects an image of quality and stability, and affirms your belief in the future of our organization. It features a sculpted trunk done in bas relief and sand cast in solid bronze. Over 125 separate brass and aluminum leaves adorn its branches.

Just as leaves are necessary to the life of a tree, your financial support is necessary to ensure the understanding of dolls as playthings of yesterday, today and tomorrow.

If you are interested in having your individual, club or corporate name and message engraved on a leaf, please fill out the attached form and mail it, along with your contribution, to:
UFDC Headquarters, 10900 N. Pomona Ave, Kansas City, MO 64153

Here is my contribution for the Donor Recognition Tree Fund:
